

# NIHARIKA CHAWLA

Faridabad, India

chawlaniharika23@gmail.com

+919569866699

## SUMMARY

Enthusiastic Computer Science student skilled in C++, Python, Web Development, and Machine Learning. Experienced in building software and AI-driven projects using modern technologies, with a strong understanding of data structures, algorithms, and system fundamentals. Seeking opportunities to contribute technical expertise and grow as a software developer.

## EDUCATION

- ❖ Thapar Institute of Engineering and Technology ..... Aug 2024 — Current  
*BE/B.Tech, Computer Engineering* ..... Patiala, India  
CGPA: 8.92\* Coursework: Data Structures and Algorithms, Design and Analysis of Algorithms, Operating Systems, Computer Architecture, Theory of Computation, Database Management Systems, Database Schema Design, Object-Oriented Programming, Cybersecurity, Artificial Intelligence for Engineers, R Programming.
- ❖ The Shriram Millennium School ..... Apr 2022 — Apr 2024  
*Class X-XII, CBSE Board - Science* ..... Faridabad, India  
**12th Boards:** 95.75% **10th Boards:** 95.0%

## EXPERIENCE

- ❖ Head of Design Department, Marketing, Finance and Investment Cell, TIET ..... Aug 2025 — Apr 2026  
Led the design team in developing branding and promotional content for college events, leveraging **Adobe Photoshop, Illustrator, and Canva** to create engaging visual experiences and strengthen the organization's presence.
- ❖ Executive Committee Member, Linux User Group, TIET ..... Oct 2024 — Sep 2025  
Organized and supported workshops on **Ubuntu** and **Linux** fundamentals, promoted open-source technologies, and assisted students in learning essential Linux command-line operations and system administration concepts.
- ❖ Member of Design Team, Saturnalia TIET ..... Sep 2025 — Nov 2025  
Contributed to the visual branding and promotion of Saturnalia, one of TIET's largest cultural festivals, by designing impactful creatives and marketing materials that enhanced event visibility and audience engagement.
- ❖ Core Member, Thapar Food Festival ..... Jan 2025 — Apr 2025  
Played a key role in planning and executing one of the institute's major food and cultural events, coordinating with teams to manage event operations, logistics, and participant engagement, contributing to its successful organization and outreach.

## PROJECTS

### Portfolio site

- By navigating through myportfolio, you'll gain insights into my capabilities, innovative thinking, and ability to tackle complex challenges.
- <https://portfolio-website-ecru-sigma-61.vercel.app/>
- **Technical Skills:** HTML, CSS, JavaScript

### Customer Churn Prediction Model

- Built customer churn prediction models using Logistic Regression and Random Forest on the IBM Telco Customer Churn dataset, achieving data-driven insights through exploratory data analysis, feature engineering, and model evaluation.
- <https://colab.research.google.com/drive/1TsnJbxugE4SC2dMZg3WQxa26o0jRGbMg?usp=sharing>
- **Technical Skills:** Python, Skicit-learn, Matplotlib, Seaborn, Pandas

## SKILLS

|                                                               |                                                             |
|---------------------------------------------------------------|-------------------------------------------------------------|
| Languages: C, C++, Python, R, Java .....                      | Web Technologies: HTML, CSS, JavaScript .....               |
| Databases: MySQL, SQL .....                                   | Tools & Platforms: Git, GitHub, Ubuntu/Linux, VS Code ..... |
| Design Tools: Adobe Photoshop, Adobe Illustrator, Canva ..... | Data Science & AI: TensorFlow, Matplotlib, AI .....         |
| Core Concepts: DSA, OOPS .....                                | Core Concepts: DBMS, Cybersecurity Fundamentals .....       |

## CERTIFICATIONS AND LICENSES

2026 Introduction to Cybersecurity, Cisco Networking Academy  
2023 Tech-a-Thon, Certificate of Merit for Rank 3 India

## ACHIEVEMENTS

Rank 3-Inter-School Tech-a-Thon and School Rank 3-SOF IMO.
